QUARTERLY UPDATE

August 2023

Welcome back to school!

A message from our President

Good luck to all the students and staff members of Calallen ISD as we begin another school year! I hope everyone had an excellent summer full of wonderful memories! My name is Amber Bozeman, and I am your 2023 President for the Calallen Education Foundation. I look forward to a successful year with the foundation supporting student programs, projects and initiatives! The members at CEF appreciate the effort and creativity that goes into every application received from our educators. Handing out checks to grant winners on Grant Patrol day, is truly one of the most rewarding feelings ever! I am very blessed and thankful to be a part of such an amazing foundation full of members that share the same passion in helping our students and educators, be the best that they can be! Here's to a successful year! Go Wildcats!

Amber Bozeman, CEF President

Calallen ISD has over 3700 enrolled students for the 2023-2024 school year.
