2021-2022 Fall Grant Winners

Campus	Grades	Recipient	Amount Awarded	Grant Title	Description
Campus	Grades	Recipient		Grant Hite	8th grade math students will pair the digital Breakout Boxes, previously awarded by the CEF, in a new interactive way that will turn standard lessons into hands-on lessons where stu- dents will use problem-solving models to analyze given infor-
CMS	8th	Casandra Lopez & Jessica Perez	\$4,474.81	BoxLight Interactive Flat Panel	mation, formulate a plan or strategy, determine a solution, and then evaluate the problem-solving process.
East		Erica Eicher-Hernandez	\$892.62		These grant funds will be used to purchase materials to in- corporate social-emotional learning to help students learn to overcome obstacles and build strong minds. Students will have a scheduled time during class where they will develop and apply one skill per week for the entire year.
		Cynthia Hernderson-Minton		Founda	The BoxLight Interactive Flat Panel will be combined with items previously awarded by the CEF such as the MimioPad2, Chromebooks, iPads, Breakout Boxes, and Set the Stage to Engage materials to turn standard lessons into hands-on, collaborative, team building activities and increase student
CMS	6th	& Corinna Navarro	\$4,474.81	BoxLight Interactive Flat Panel	engagement.
СМЅ	6th	Randi Maresh & Kate Lopez	\$4,694.79	BoxLight Interactive Flat Panel	The BoxLight Interactive Flat Panel will be combined with items previously awarded by the CEF such as the MimioPad2, Chromebooks, iPads, Breakout Boxes, and Set the Stage to Engage materials to turn standard lessons into hands-on, collaborative, team building activities and increase student engagement
West	5th	Jessica Almaraz	\$4,474.81		These students have one mission in mind—becoming superi- or readers! Reading will come to life as students actively par- ticipate in each hands on interactive lesson on the flat panel and build a strong foundation of reading skills.
					Research shows that there are a plethora of benefits to out- door learning such as promoting creativity and focus, build- ing confidence, reducing stress and fatigue, as well as im- proving physical health. With the help of this grant, two oc- tagonal picnic tables will be built around trees that will pro- vide shade, as well as four covered picnic spaces, perfect for doing class work outdoors. All students at East will benefit
East		Vanessa Chenault	\$9,900.00	Taking Learners Outdoors	from these picnic tables.

2021-2022 Spring Grant Winners

Campus	Grades	Recipient	Amount Awarded	Grant Title	Description
) Ca	lallen	Grant funds will go towards helping purchase a state- of-the-art LED video board for the Calallen ISD Gym- nasium that will not only provide an outlet to high- light the outstanding achievements of student ath- letes and tell their stories, but will also bring a new wave of excitement by enhancing the game day expe-
CHS	9th-12th	Andrew Spencer	\$10,000	Gym LED Video Board	rience for all.
СНЅ	9th-12th	Joseph Eason	\$1,876.24	Calallen Robotics Club Upgrades	Upgrades to the Calallen Robotics Club will help stu- dents go beyond just the classroom basics and pre- pare for the FIRST Tech Challenge in September that is sponsored by big STEM corporations every year.
WRE		Hannah Fowler	\$3,804.75		Research shows that physical activity has positive effects on the brain and on school performance. The addition of scooter boards into the P.E. class will put a creative, fun spin on conditioning and exercising for students without them even knowing it. Activities such as scooter tag will be implemented to increase physical education participation.
СНЅ	9th-12th	Dale Lamb	\$5,000	Outdoor Adventure Education	Imagine learning about life skills through outdoor ac- tivities such as camping, fishing, archery, outdoor cooking, and paddle sports. This course is designed to be socially and emotionally engaging while develop- ing technical and intellectual skills in students that will help with sharing decisions and overcoming chal- lenges.
East		Vanessa Chenault	\$9,727.77	STEM & Maker Lab	The sky will be the limit for East students in this brand new, state-of-the-art STEM & Maker Lab as they solve challenges, struggle, test, iterate, make changes, test again, and finally succeed in this engag- ing and challenging space. With this lab, all 600 East students will have more time to engage in hands-on, STEM-based challenges to build those 21st century skills that are so necessary!

CMS		Lamar Lopez	\$5,121	Calalen CAT Fitness Box	New equipment will allow the P.E. and Athletics class to add new fitness stations as well as create obstacle courses for students that will incorporate a variety of physical activities, encouraging different ranges of motion that have both cardiovascular and muscular benefits.		
CMS		Mike Brotherton	6	Computer App Builder/Career Explorations	With the addition of 20 new iPads, students in the newly created Project Lead the Way class will be in- troduced to the field of computer science and the concepts of computational thinking. They will also learn to use deliberate design processes for gener- / ating ideas, testing theories, creating innovative arti- facts and solving problems.		
East		Vanessa Chenault	\$9,559	Mobile Math Intervention Lab	With the help of the Calallen Education Foundation and the 20 iPads they granted, this mobile math in- tervention lab would give access to all 3rd-5th stu- dents. This portable math lab would be available for check out and allow teachers to collaborate with the math interventionists to find which app best suits their students based on the skill being taught. This resource would strengthen gaps, reinforce math skills, and create a more motivating and engaging resource.
