Campus	Grades	Recipient	Amount Awarded	Grant Title	Description
CHS	9th-12th	Coach Dale Lamb	\$516.00	65 Inch TV for Calallen TV Studio	This 65 inch TV makes a great, needed addition to the Calallen TV studio.
CMS	6th-8th	Chris Ross	\$4,627.00	Tactile and Immersive Student Led Music Teaching with BoxLight by Mimio	Through the use of the BoxLight Panel, CMS Band students will be able to manipulate the music notes on the screen to apply exactly to what they are performing. They can also utilize BoxLight as a virtual performance to watch their fellow band members as well as other performers.
CMS	7th	Christine Price	\$5,549.00	Project Based Review	Whole class learning is about learning together: teachers and students at the same time, in the same space, and with each person focused on the same learning goals. BoxLight educational technology offers an effective, engaging way to provide teacher-led instruction so the teacher can teach the whole class from anywhere in the room.
CMS	7th	Gina Wernig	\$5,928.33	BoxLight, MimioPad Wireless Tablets, & Laptop	Now more than ever, teachers must provide instruction using various methods without utilizing additional resources, such as paper and pencil. BoxLight technology is designed to give teachers the opportunity to create captivating lessons and help students learn more effectively and develop the essential skills they need for success.
West Intermediate	4th-5th	Lynn LaStrapes	\$4,638.47	Bookworm Vending Machine	The Bookworm Vending Machine will help promote literacy and a love for books through a positive reward system. Students will be able to earn a golden token to be used to "buy" a book from the Bookworm Vending Machine. All 588 students will also be given a token for their birthday to get a book of their choice.
